# Getting Started with Ebook Central

1. Go to your library's website to **launch Ebook Central**.
2. **Choose among 10 different interface languages**.
3. **Conduct a simple or advanced search** that can be narrowed by publication year, relevance, subject, and other parameters. Search for exact phrases by putting them in quotations (e.g. "autism spectrum disorder").
4. Select the title to **enter a landing page** that provides key information about the ebook including a description, download availability, and copy and print allowances.
5. **Open the ebook and navigate** by scrolling or flipping through pages. Search for keywords within the ebook and jump to relevant chapters.
6. **Take notes, highlight text, and bookmark pages**, all of which are stored on your bookshelf.
7. **Create a proper citation** in your choice of format. Citations are automatically created when you copy and paste text and print pages and chapters to PDF.
8. **Manage research in your bookshelf** with folders and other tools. Share ebooks and folders with peers.
9. **Download ebooks or specific chapters** to use offline.
10. **Enjoy ebooks on-the-go** on any mobile device with the independent Bluefire Reader.

The screenshot shows the ProQuest Ebook Central search interface. At the top, there is a search bar with the text "Keyword, Author, ISBN, and more" and a search button. To the right of the search bar are links for "Advanced Search" and "Browse Subjects". The ProQuest logo is in the top right corner. Below the search bar, the page displays "Search" results for "Autism", showing "45483 book results for Autism". There are links to "Save this search" and "Edit this search". On the left side, there is a "Refine your search" section with filters for "BOOK STATUS", "YEAR PUBLISHED", "SUBJECT", "LANGUAGE", and "AUTHOR". The "BOOK STATUS" filter shows "Owned and subscribed to by my library" and "Unlimited Print, Copy, & Download". The "YEAR PUBLISHED" filter shows years from 2017 to 2019. The "SUBJECT" filter shows categories like "psychology / general", "education / general", "medical / neurology", and "medical / general". The "LANGUAGE" filter shows "English", "German", and "Spanish, Castilian". The "AUTHOR" filter shows "Parker, Philip M.", "Parker, James N.", and "Kittler, Josef". The main content area shows three book results for "Autism". Each result includes a book cover, the title "Autism", the author, publisher, and year, the ISBN, and the series. The first result is by Beadle-Brown, Julie, Emerald Publishing Limited, 2011, ISBN 9781780524665, 9781780524672, series: Tizard Learning Disability Review. The second result is by Spilsbury, Richard, Rosen Publishing Group, 2018, ISBN 9781508182658, 9781508182672, series: Genetic Diseases and Gene Therapies Ser. The third result is by Freedman, Jeri, Rosen Publishing Group, 2008, ISBN 9781404218529, 9781435848269, series: Genetic and Developmental Diseases and Disorders Ser. Each result has a green "Available" status and icons for download, print, and other actions.
